

Bobby Adams

Bobby and Marie met at the Enochs Methodist Church and were married there August 23, 1955. They made their home on their farm north of Morton. They had two daughters, Debbie and Linda.

One day, when the girls were both small, Linda dashed a glass milk jug against the living room stove and cut her wrist badly. The family had only one vehicle at that time and Bobby was gone to work in it. So, Marie put Debbie, Linda and her purse in the little red wagon and started pulling them down the road. It was a Saturday afternoon in the fall of that year. First they met a lady truck driver with a load of grain. She couldn't help them, so they went on down the road. Along came some Spanish neighbors who not only stopped and took them to the doctor, but waited and brought them back home.

Another incident from their childhood happened one time when Marie had left Debbie and Linda at home with Bobby while she went into town for groceries. Linda decided to help clean house and used flea spray on the kitchen appliances, thinking she was really making things shine. The awful odor was a long time dissipating.

Both Debbie and Linda finished high school at Morton and were co-editors of the school annual. They attended college at South Plains College in Levelland.

Debbie and Linda were both married in the First United Methodist Church at Morton. Linda has a son, Tannin, and daughter, Keily.

Bobby is a member of the First United Methodist Church in Morton and Marie is a member of St. Ann's Catholic Church of Morton.
